Why We Play

At the end of each day, one should feel good about what we have been able to accomplish. But it's not often when we can impact the lives of others in such a meaningful way. But that is what today is all about. Sure, we're playing golf, and having fun. But more importantly, we're providing the funding to fulfill a young student's dream of attending a college, learning a trade, securing an education which really means that you've impacted not just one individual but a generation, a family and you have indeed help make this world a better place in which to live.

It doesn't matter if you were a sponsor big or small, or a player in a foursome, or donated a prize, or single hole sign, all of us together have made dreams come true today. And you've got to feel good when you go home tonight knowing that you were a part of such and meaningful golf tournament.

That's really why we call it a CLASSIC!

Chartered in April 1968, the Kiwanis Club of Lehigh Acres is among the oldest civic organizations in our community today. Its' membership is a diverse group of men and women working and retired all dedicated to improving the world one child and one community at a time. They belong to an international community of Kiwanians all striving to make this world a better place for today and tomorrow. Each year the operation of our Thrift Store on Homestead Rd provides the resources to fund more than \$250,000 to schools, youth sports organizations, local charities, those in need in our community, and of course our **HUGE** scholarship program. Come join us any first or third Thursday at El Tarasco Restaurant. We'll buy you dinner and you can join the fun and fellowship that we enjoy together. And as mom used to say: **"try our shoes on, and see if they fit!"**

BUT WAIT, THERE'S MORE...

Once you finish golf, the fun continues - with lunch, PRIZES, SILENT AUCTION and MYSTERY PRIZES!

Don't miss it!

It's A Scramble

Except... Each golfer must play a special "marked" Orange Ball from tee to green for a minimum of four holes during the match!

And... Each player must play their own ball off the tee a minimum of **two** times during the match. **CAREFUL...** Don't lose it or the Orange Ball!

Otherwise... It's a scramble like all others! All hit and use the best ball. Then all hit again using the best ball once again. **AND** repeat if necessary!

But... take no more strokes than a double bogey on any hole!
